He conducted the evening draw and set the greens for one week periods for three years. At the end of the season he was there to pull out the many annuals from the flower beds on the club grounds.

Garth was an enthusiastic promoter of the sport of lawn bowling. He conducted morning coaching sessions on a regular basis to introduce friends and acquaintances to lawn bowling. He was determined to increase the club membership. Garth was always willing to donate his time to coach newer members interested in improving their skills. Garth became a certified club coach in 2015.

Garth has been an advertising contributor to the handbook for five years. With the contribution of advertisers, the Regina Lawn Bowling Club is able to provide handbooks free of charge to its members.

Despite health issues this past year, Garth has been a regular fixture at the club. He became the designated ditch maintainer, ensuring the ditches of the four greens were cleaned regularly for weeds and elm seeds.
